

## 2024 Presidential election

I would say to Jack Smith that right now,  
you guys are the hunters.

On January 20th [2025],  
you're going to become the hunted.

**Mike Davis,**  
who promises to preside over  
a "three-week reign of terror"  
during which he'll indict Trump's opponents  
and purge them from the federal government  
in his role as "acting attorney general"  
in Trump's second administration
