**America's
National Association of Manufacturers
gave Ivanka Trump, the president's
daughter, its prestigious Alexander
Hamilton award this year.**

**"Like no one in government has
ever done, she has provided singular
leadership and shown an unwavering
commitment to manufacturing,"
said the industry group,
in what ought to have earned it
the Order of Sycophancy.**

**Edward Luce,
Financial Times, July 16, 2020**
