

## **Bullshitters say**

**The president does read and he also consumes intelligence verbally. This president, I'll tell you, is the most informed person on planet Earth when it comes to the threats that we face.**

**Kayleigh McEnany,  
Trump's press secretary,  
responding when asked why Trump  
doesn't read the President's Daily Briefing,  
which reported that Russia was paying  
the Taliban to kill American troops  
in Afghanistan**
