

Gun violence

**[S]ince 1975,
more Americans have died from guns
— including suicides, murders and accidents —
than in all the wars in United States history,
going back to the American Revolution.**

...

**[W]e continue to lose
45,000 lives a year to guns.
That's 123 lives lost a day.**

**Nicholas Kristof,
New York Times, May 25, 2022**
