

Snapshot

Santos is the first one to realize that, since we are all in our hermetically-sealed media bubble now, you can pretend to be everything to voters in both parties and no one on either side will notice.

...

Everyone saw in George Santos what they wanted to see.

Republicans saw a Trump-loving rich prick, Democrats saw a proudly gay person of color, and the Proud Boys saw a guy who would blow them after a couple of beers and not tell anyone.
