

Snapshot

Donald's ego has been and is a fragile and inadequate barrier between him and the real world, which, thanks to his father's money and power, he never had to negotiate by himself. Donald has always needed to perpetuate the fiction my grandfather started that he is strong, smart, and otherwise extraordinary, because facing the truth — that he is none of those things — is too terrifying for him to contemplate.

Donald Trump
portrayed by Mary Trump
in *Too Much and Never Enough*
